

# Keystone State Games Fencing is Back!!!

We are happy to announce that Keystone Games Fencing is returning to York! This year's tournament will be July 22-23 at the York Ice Arena. For more information or to register, please visit <http://bit.ly/3zuk7NS> . This link also contains the schedule of events.

The registration fee is \$60, and each event fee is \$30 for pre-registered fencers. Walk-on fees are \$100 for the first event, and \$30 for each additional event. Spectators (coaches, family, and anyone else not competing, officiating, or volunteering) will have to pay the Keystone Games spectator fee of \$10. The pre-registration deadline is July 14. Anybody registering July 15 or later will pay the walk-on fee.

We will host mens' and womens' events for the following age groups in all three weapons: Y14 (born 2008-2011), Junior (born 2003-2009), Senior (born 2009 or earlier), and Vet Combined (born 1983 or earlier). Please note: the bout committee reserves the right to combine events with fewer than 6 registered fencers. Even in combined events, men and women will still medal separately.

This is a sanctioned tournament, so each fencer must have a valid 2022-2023 USA Fencing membership (Access level or higher). Please present proof of membership when registering at the tournament. Fencers can obtain or update their membership at <https://www.usafencing.org/> .

We're incredibly excited to be hosting one of Pennsylvania's largest multigenerational fencing tournaments and hope to see you there!
